PRESS RELEASE

The Project for Installation of Solar Panel System for Women's Vocational Training Center in Al-Bireh

Today, January 23rd, 2024, Mr. NAKASHIMA Yoichi, Ambassador for the Palestinian Affairs and Representative of Japan to Palestine, visited Inash Al-Usra society in Al-Bireh City / Ramallah governorate to celebrate the completion of a project funded by the Government of Japan through Japan's Grant Assistance for Grassroots Human Security Projects (GGP).

The Government of Japan extended a grant of USD 88,090 to Inash Al-Usra society to improve the educational environment for the student in Inash Al-Usra Society by installing solar panel system, which provides sufficient power.

Upon the completion of the project, about 424 people, including students and other facility staff members, will directly benefit by improving the educational environment in the center.

In his speech, Mr. NAKASHIMA emphasized Japan's firm commitment of supporting Palestinian people from human security perspective as well as the importance of implementing social and economic development projects needed for Palestinian communities.

Since 1993, the Government of Japan has extended its official development assistance to approximately USD 2.4 billion, to the Palestinians. GGP projects have been formulated in collaboration with the Palestinian Authority through Ministry of Finance since 2010.
